457 Minna Street  
San Francisco, CA 94103

Dear Mr. Horn:

I would personally like to thank you for your participation in making the 2011 Earth Day Expo successful. Your personal energy and crisp professionalism were commendable.

Your interactive booth caught the attention of over 300 visitors, opening their eyes to many ways to protect our environment, while the informal conversations were impressive. The effort put forth by your team made the event the success it was.

I was very pleased with the 2011 earth Day Expo. Thank you again and I look forward to your participation next year.

Sincerely,

D.J. LEECE

Colonel, U.S. Marine Corps  
Commanding Officer
