OWNER Zeb Burge

ARCHITECT Montalba Architects, Inc.  
/ LPAS

YEAR  
COMPLETED 2017

OFFICE San Francisco

The Equinox gym was a construction of a 27,000 SF high-end gymnasium and fitness center including pilates, yoga, and cycling studios, in addition to a spa and kids gym. All the work was completed on the first two floors of a new residential building, being built concurrently by a different general contractor.
