REDWOOD CITY, CA

OWNER

San Mateo Community College
District

ARCHITECT

BCA Architects

COST

\$15,000,000

DURATION

18 Months

MARKET SECTOR

Education

The modernization of a 52-year-old, three-story building required significant management collaboration and budgeting. The nearly 31,000 SF project included the installation of a prefabricated elevator, structural retrofit, complete interior remodel of the classrooms, a fire sprinkler system, and site work.
