

# JINS – Flagship Union Square

SAN FRANCISCO, CA

## OWNER

JINS

## ARCHITECT

Kwan Henmi Architects

## COST

\$2,000,000

## DURATION

3.5 Months

## TOTAL GROSS SQUARE FEET

4,300

## MARKET SECTOR

Retail

The 4,300 SF build-out includes various elements that represent the clients ‘fully-customized’ products. The store includes high-end case work, new facade, ardex polished concrete floors, and back of the house conference rooms and bathrooms. The focal point of the store is the specialty showcase room that is used to produce all products on-site. This room was built with epoxy flooring and is encased in glass.
