BUILDGROUP

Kokkari Restaurant

SAN FRANCISCO, CA

OWNER

Marcus & Millichap Company

ARCHITECT

Backen & Gillam

COST

Confidential

DURATION

6 Months

MARKET SECTOR

Food & Beverage / Restaurants

An extensive gut-and-redo created Kokkari as a signature restaurant space while retaining an old-world touch to honor their brand. The collaboration with award-winning architect Howard Backen was seamless, as Build Group replaced 50 percent of the first floor, and added additional exhaust systems, windows, shutters, and quality finishes throughout. The results are easy to see, as Kokkari has been one of San Francisco's most iconic restaurants for over two decades.
