MARKET SECTOR

Food & Beverage / Restaurants

This spectacular 18,000 SF, bay-view restaurant was built using a full compliment of specialty finishes, including the use of natural dark wood, all custom built lighting, rich colors, and original glass work to create a traditional ambience. The three floor restaurant is set within the four-story historical building in Ghirardelli Square.

The project included constructing new public stairway to the Square, landscaping the adjacent park, and re-lighting the Municipal Pier.
