ARCHITECT

KSH Architects

COST

\$2,000,000

DURATION

3.5 Months

MARKET SECTOR

Entertainment

Renovation of the iconic Orpheum Theatre in the Middle Market District was an extremely gratifying job for our team. We helped reimagine the iconic 'Blue Room', which required the removal of existing lounge space and then rebuilding a full fit-out with high-end millwork, flooring, and finishes. We also added two bars, a VIP Ambassador Lounge, and other high-end refurbishments to elevate the theatre to new heights. This was done in time for the scheduled opening of a major musical.
