

Skyline DSPS Relocation

SAN BRUNO, CA

OWNER

San Mateo Community College District

ARCHITECT

JKL Construction

COST

\$700,000

MARKET SECTOR

Education

Construction consisted of building out existing college spaces into new smart classrooms, a computer lab, testing lab, and administrative offices for Skyline College's Disability Resource Center. Work included performing improvements to several buildings on campus for the movement of staff in multiple college departments, including the Veteran's Resource Center.
