DXU Architects

**COST**

\$760,000

**TOTAL GROSS SQUARE FEET**

2,500

**MARKET SECTOR**

Fitness

New 2,500 SF project for a Solidcore pilates fitness studio inside Kirkland's Village at Totem Lake center. This full TI build-out also included underground plumbing work, new millwork finishes and an acoustically rated isolated double ceiling in the studio as a sound barrier for loud fitness classes below residential units. Extremely fast paced 10 week build required heavy coordination with all trades to meet schedule.
