

Archbishop Riordan High School Library Renovation

SAN FRANCISCO, CA

OWNER

Archdiocese of San Francisco Real Property Support Corporation (RPSC)

ARCHITECT

Kotas/Pantaleoni Architects

COST

\$2,884,301

MARKET SECTOR

Education

10,850 SF renovation of the existing second-floor library and accessory rooms. The project included the addition of two new classrooms and a video studio, as well as the installation of a vertical platform lift for accessibility. Additional work involved re-roofing the building. This renovation transformed the library into a more versatile, accessible, and modern space, supporting a broader range of educational and community activities.
