

Lake Merced Golf Club

DALY CITY, CA

OWNER

Lake Merced Golf Club

ARCHITECT

Lizette Marie Interior Design

COST

\$950,000

MARKET SECTOR

Health/Wellness

One of San Francisco's oldest golf clubs, this Daly City icon needed a refresh. We updated the restrooms to include saunas and showers, as well as high-end cosmetic retouches. An emphasis of this project was working to respect the club's high-value clientele while not interrupting the rate of play as we redid an occupied clubhouse.
