# Genentech HVAC Study & Replacement Project

South San Francisco, CA

---

OWNER	Genentech
ARCHITECT	S&R Mechanical
YEAR COMPLETED	2015

Campus-wide assessment of all HVAC rooftop equipment located on 32 buildings. Assessment study resulted in design/build services of HVAC rooftop repairs and/or replacement of equipment on 12 buildings. The scope of work includes phased work, upgrades to MEP rough-in, complete HVAC rooftop unit replacement and/or repairs, and roof repairs as needed.
