OWNER Jim Kenny

ARCHITECT Gruen & Associates

YEAR  
COMPLETED 2018

OFFICE San Francisco

This 14,000 SF three-story, high-end jewelry store is located in the historic Union Square of San Francisco. The center of the store will feature a grand staircase with decorative railings leading to a starburst stone pattern. Project included new structural slab on metal deck for a new mezzanine and elevator platform. Also included is the basement foundation work for the stair supports, elevator and sump pits, and the safe room.
