OWNER H&M

ARCHITECT TEK Architects

YEAR COMPLETED 2010

OFFICE San Francisco

H&M's flagship store in a historic building on Powell St. features new escalators, large video display screens, all new stone flooring, 42 high-end dressing rooms, new restrooms, employee locker rooms, and kitchen, as well as a carefully restored historical ceiling, entry, and 400 linear feet of new sidewalk. This store was completed one month ahead of schedule.
